Weekend can make!*

I Love You

*I love you,
Not only for what you are
But for what I am
When I am with you.*

*I love you,
Not only for what you have made of yourself
But for what you are making of me.*

*I love you,
For the part of me that you bring out.*

*I love you,
For putting your hand into my heaped up heart
And passing over all the foolish weak things
That you can't help dimly seeing there.
And drawing out into the light
All the beautiful belongings
That no one else had looked quite far enough to find.*

*I love you because you are helping me to make
Of the lumber of my life
Not a tavern, but a temple;
Out of my works, of my everyday
Not a reproach, but a song.*

*I love you,
Because you have done
More than any creed could have done
To make me feel my goodness.*

*You have done it
With your touch,
With your words,
With yourself.*

What is Marriage Encounter?

Worldwide Marriage Encounter is 44 hours where married couples can get away from jobs, kids, chores and phones—and focus only on each other. If you'd like greater depth, growth and enrichment in your relationship, you'll like the difference a Marriage Encounter weekend can make!

Who is it for?

Any married couple who desires a richer fuller life together, or any Priest or Religious who desires a richer closer relationship with their people.

What happens on the weekend?

A series of presentations are given by a team of Catholic Couples and a Catholic Priest. Each presentation allows you and your spouse a rare opportunity to look at yourselves as individuals; to look at your marriage and your relationship to one another; and finally, to look at your relationship to God, the church and the world. The weekend starts at 7:00 pm Friday evening and runs until around 6:00 pm Sunday evening.

Do you have to be Catholic?

No. The weekend presents the Catholic understanding of marriage. However, couples of all faiths are welcomed on this weekend because it is about marriage, not religion.

Does the weekend respect the couple's privacy?

Yes. The presentations are given to the group as a whole. After each presentation, the husband and wife have time in the privacy of their room for their own personal discussion. You concentrate on your spouse to such an extent that you are hardly aware of the other couples present.

How Does a Marriage Encounter enhance a marriage?

The weekend employs a communication method which involves personal reflection followed by the couple sharing with each other. The method enhances mutual understanding. Once learned, the method is always readily available for the couple's use. Couples for more than 25 years in more than 90 countries have experienced the benefits of this technique.

What Does a Marriage Encounter cost?

A \$30 non-refundable registration fee reserves your place on a weekend.

At the end of the weekend, each couple is given a blank envelope and asked to make a confidential donation to cover the cost of the weekend. No one is ever refused the opportunity to make a weekend because of a lack of funds. This is made possible by the ability of some to be more generous.
